

COMMISH

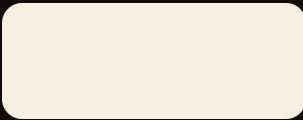

**THE ONE RULE** Orange is the brand. Gold is the money — pot amounts, payouts, and nothing else.

#FF5C1B · LEATHER — brand, links, CTAs

#120D0A · NIGHT GAME — ground

#F6EFE2 · CREAM CHALK — type

#E9C258 · POT GOLD — money only

#35C97A · ALIVE — survivor state

AVATAR

TYPE

**Anton**

+ Space Grotesk

The mark is THE LACES: one spine, four ticks, rounded ends, tilted 14° — the one part of a football that means football and nothing else, and it doubles as plus-signs (money in) and a ladder (surviving weeks). Cream on the orange tile; orange when it sits on night black. The illustrated footballs are retired. Sudden Death and The Vault live on the Explorations page for the record.
